ABOUT US:

The team at Carolina Corporate Jets has over eighty years of combined experience in aircraft sales. We are a diligent, hard-working group of professionals that take pride in our work and we've earned an excellent reputation with our customers and peers within the industry. We encourage you to call our references. They will sell you on CCJ much better than we can. We combine our experience with up-to-date market information and trends to provide you with the insightful, detailed information you need to make the best decision.

Whether you are purchasing or selling an aircraft, we assist you every step of the way. We enjoy an excellent track record for both acquiring aircraft at substantial cost and time savings for our customers, and for obtaining top dollar value for their aircraft sales.

Our goal is to develop long-term relationships with each of our customers, and we strive to maintain a high level of their confidence and trust.

***Team CCJ welcomes the opportunity
to earn your business!***
