Specification and Description

Dated January 2006

Beginning With Serial #T20608586

Manufacturer: Cessna Aircraft Company Model: T206H
Introduction
This document is published for the purpose of providing general information for the evaluation of design, performance and equipment of the Cessna Turbo Stationair. Should more information be required, please contact:
Cessna Aircraft Company
Single Engine Piston Aircraft
2625 S. Hoover Rd.
Wichita, Kansas 67215
1-800-4-CESSNA
www.se.cessna.com
This document supersedes all previous Specification and Description documents and describes only the Turbo Stationair Model T206H, its powerplant and equipment. Also included are the warranties applicable to the Turbo Stationair Model T206H aircraft, the Textron Lycoming TIO-540-AJ1A engine, the McCauley propeller and the OEM installed Bendix/King and Garmin avionics. In the event of any conflict or discrepancy between this document and the basic purchase agreement, the basic purchase agreement language shall govern. Due to the time span between the date of this Specification and Description and the scheduled delivery date of the aircraft, Cessna reserves the right to revise the “Specification” whenever occasioned by product improvements, government regulations or other good cause.
**Specification and Description**  
**“Exhibit A”**

### General Description
All information herein applies to the Turbo Stationair (Model T206H).
The Turbo Stationair is an all-metal, six-place, high-wing, fixed gear, single-engine piston aircraft designed for general utility purposes. The Model T206H is certified to the requirements of U.S. FAA Federal Aviation Regulation Part 23 through amendment 23-6, including day, night, VFR and IFR.

Turbo Stationair Equipment List
The following list of equipment is included on the standard aircraft and it does not reflect optional equipment.

AVIONICS:
GDU-1040 Primary Flight Display (PFD)
GDU-1040 Multi-function Display (MFD)
GMA-1347 Digital Audio Panel w/Marker Beacon/Intercom
CI-102 Marker Beacon Antenna
GIA-63 NAV/COM/GPS w/GS #1
GIA-63 NAV/COM/GPS w/GS #2
CI-2480 VHF/GPS Antenna w/Internal Notch Filter #1
CI-2480 VHF/GPS Antenna w/Internal Notch Filter #2
CI-120 NAV Antenna
GTX-33 Transponder - Mode S w/TIS
CI-105 Transponder Antenna
GEA-71 Engine/Airframe Computer
  • CHT/EGT Sensors - All Cylinders
  • Fuel Flow Meter
  • Manifold/Tachometer/Vacuum Sensors
GRS-77 AHRS
GDC-74 Air Data Computer w/OAT Probe
GMU-44 Magnetometer
KAP-140 Dual Axis Autopilot
  • Altitude Preselect
  • GPS Roll Steering
  • KCM-100 Configuration Module
  • KS-270C Pitch Axis Servo Actuator
  • KS-271C Roll Axis Servo Actuator
  • KS-272C Pitch Trim Servo Actuator
3000-11 Emergency Locator Transmitter
Emergency Locator Transmitter External Antenna
Emergency Locator Transmitter Remote Mounted Switch
WX-500 Stormscope
NY-163 Stormscope Antenna
Control Wheel Push-To-Talk Switch - Pilot/Copilot
Mic & Phone Jacks -
  Pilot/Copilot/Passengers
Auxiliary Stereo Input Jack
Blind Turn Coordinator for KAP-140
Avionics Circuit Breaker Panel
Control Wheel Push-To-Talk Switch - Pilot/Copilot
Mic & Phone Jacks - Pilot/Copilot/Passengers
Auxiliary Stereo Input Jack
Single Engine Driven Vacuum Pump System
Backup Mechanical Instruments
  • Attitude (Vacuum Gyro)
  • Airspeed
  • Altimeter
Magnetic Compass
Pitot System - Heated
Static System
Alternate Static Source
Audible Stall Warning System – Heated
Deck Skin Cooling Fan #1
Avionics Cooling Fan #2 - PFD
Avionics Cooling Fan #3 – MFD
Aft Avionics Cooling Fan #4

Propeller Governor
Propeller Spinner, Polished
Electric Starter

Model: T206H
**Optional Equipment**

- Air Conditioning
  - Keith Products (STC -16,000 btuh / Engine Driven)

- TAWS-B Terrain (Garmin) NAV III Avionics

- TAS Traffic (Bendix King KTA 870) – NAV III Avionics

- ADF KR87 – NAV III Avionics – Separate control head - displayed on PFD (Int'l only)

- DME KN63 – NAV III Avionics – Integrated control - displayed on PFD (Int'l only)

- Floatplane Provision Kit (Exchange Items: Hoisting Rings, Windshield V-brace and Fuselage Reinforcements)

- Oversized Tires and Wheel Fairings (Exchange: Main 8.00 x 6. Nose 6.00 x 5)

- Cargo Pod (16.0 Cu. Ft. of Additional Cargo Space With Loading Up to 300 lbs)

- Abrasion Boots (Horizontal Stabilizer)

**Exterior Striping Options**

- **518G**: Skyline Steel, Dusk Grey Metallic and Ward Red Painted Stripes; Cessna and Stationair Logo: White Vinyl; Registration Number: Burgundy Vinyl

- **518H**: Squadron Blue, Medium Silver Metallic and Balboa Blue Painted Stripes; Cessna and Stationair Logo: White Vinyl; Registration Number: Dark Blue Vinyl

- **518J**: Strawberry Pearl, Fawn Metallic and Gloss Black Painted Stripes; Cessna and Stationair Logo: White Vinyl; Registration Number: Black Vinyl

**Interior Options**

- Fabric Seat Surfaces w/ Vinyl trim

- Utility Interior Kit:
  - Vinyl Grip Flooring,
  - Kydex door sidepanel, vinyl inserts
Specification and Description  
“Exhibit A”

Performance Conditions
All estimated performance data are based on airplane weights at 3,100 pounds; standard atmospheric conditions; level, hard surface, dry runways; and no wind. They are calculated values derived from flight tests conducted by Cessna Aircraft Company under carefully documented conditions and will vary with individual airplanes, pilots, and numerous other factors affecting flight performance.

Speed, CAS
- Maximum at 17,000 ft .................................................. 178 kts
- Cruise, 75% power at 20,000 ft .................................. 164 kts
- Cruise, 75% power at 10,000 ft .................................. 150 kts

Cruise (Recommended lean mixture with fuel allowance for engine start, taxi, takeoff, climb and 45-minute reserve)
- 75% power at 20,000 ft, range 559 nm (1,035 km)
- 87 gallons usable fuel, time 3.6 hr
- 75% power at 10,000 ft, range 533 nm (987 km)
- 87 gallons usable fuel, time 3.6 hr
- 45% power at 10,000 ft, range 703 nm (1,302 km)
- 87 gallons usable fuel, time 6.3 hr

Rate of Climb at Sea Level .............................................. 1,050 fpm (320 mpm)

Service Ceiling .......................................................... 27,000 ft (8,230 m)

Takeoff Performance
- Ground roll .......................................................... 910 ft (277 m)
- Total distance over 50-ft obstacle .......................... 1,740 ft (530 m)

Landing Performance
- Ground roll .......................................................... 735 ft (224 m)
- Total distance over 50-ft obstacle .......................... 1,395 ft (425 m)

Stall Speed, CAS
- Flaps up, power off .................................................. 62 kts
- Flaps down, power off ............................................. 54 kts

Wing Loading .......................................................... 20.7 lbs/sq ft (101.1 kg/sq m)
Power Loading .......................................................... 11.6 lbs/hp (5.27 kg/hp)

Engine: Lycoming - TIO-540-AJ1A 310 BHP @2,500 RPM
Propeller: McCauley 3-bladed Constant Speed, Diameter 79 in (2.01 m)

Specifications subject to change without notice.
CESSNA'S LIMITED WARRANTY
(SINGLE ENGINE PISTON AIRCRAFT)
Cessna warrants the aircraft and all parts included therein to be free from defects in material and workmanship under normal use and service for a period of twenty-four (24) months after delivery to the original retail purchaser or first user, except as hereafter noted. Cessna's limited warranty also applies to aircraft paint; however, the warranty period for aircraft paint is twelve months after delivery of the aircraft to the original retail purchaser or first user. Engines, engine part accessories, avionics, batteries and propellers, are specifically excluded from this warranty.

Replacement spare parts sold by Cessna, excluding engines, engine part accessories, avionics, batteries and propellers are warranted for 6 months after installation or first use, except as hereafter noted. Cessna's obligation under this warranty is limited to repairing or replacing, at its option, with exchange, overhauled, or new parts, found defective by its examination which are returned by the owner within the applicable twenty-four (24) or six (6) month period to any Cessna appointed or Cessna Contracted Distributor appointed Service Station. Replacement parts are warranted only for the remainder of the applicable twenty-four (24) or six (6) month original warranty period. The repair or replacement of defective parts under this warranty will be made without charge to the owner for parts and labor for removal, installation and/or actual repair, except that the owner shall pay all import duties, sales and use taxes on replacements.

This limited warranty does not apply to parts subjected to misuse, negligence, improper installation, accident, alteration; repairs not authorized by Cessna; normal maintenance services (cleaning, control rigging, brake and other mechanical adjustments, maintenance inspections, etc.); replacement of service items (light bulbs, brake linings, filters, hoses, tires, cowl mounts, etc.); or to normal deterioration of soft trim and appearance items (paint, upholstery, rubber-like items, etc.) due to wear and exposure.

TO THE EXTENT ALLOWED BY APPLICABLE LAW, THIS LIMITED WARRANTY IS EXPRESSLY IN LIEU OF AND CESSNA SPECIFICALLY DISCLAIMS AND EXCLUDES ANY AND ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED IN FACT OR BY LAW, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE REMEDIES OF REPAIR OR REPLACEMENT ARE THE ONLY REMEDIES UNDER THIS WARRANTY. CESSNA DISCLAIMS AND EXCLUDES ALL OTHER OBLIGATIONS AND LIABILITIES WHETHER IN CONTRACT OR IN TORT, INCLUDING LOSS OF USE, LOSS OF TIME, LOSS OF VALUE, INCONVENIENCE, COMMERCIAL LOSS OR ANY OTHER DIRECT, CONSEQUENTIAL, SPECIAL OR INCIDENTAL DAMAGES.
Textron Lycoming Warranty (Limited) New Reciprocating Aircraft Engine

What Textron Lycoming Promises You

Engine Model Aircraft Model
IO-360-L2A Cessna-172R, 172S
IO-540-AB1A5 Cessna-182T
IO-540-AC1A5 Cessna-206H
TIO-540-AK1A Cessna-T182T
TIO-540-AJ1A Cessna-T206H

Textron Lycoming warrants the above listed new reciprocating engine models sold by it to be free from defects in material and workmanship for a period of twenty-four (24) months after aircraft delivery to the original retail purchaser or first user. The date of first operation must not exceed two (2) years from the date of shipment from Textron Lycoming.

Textron Lycoming's obligation under this warranty shall be limited to its choice of repair or replacement, on an exchange basis, of the engine or any part of the engine, when Textron Lycoming has determined that the engine is defective in material or workmanship. Such repair or replacement will be made by Textron Lycoming at no charge to you. Textron Lycoming will also bear the cost for labor in connection with the repair or replacement as provided in Textron Lycoming's then current Removal and Installation Labor Allowance Guidebook.

Any engine or part so repaired or replaced will be entitled to warranty for the remainder of the original warranty period.

YOUR OBLIGATIONS

The engine must have received normal use and service. You must apply for warranty with an authorized Textron Lycoming distributor within 30 days of the appearance of the defect in material or workmanship.

Textron Lycoming's warranty does not cover normal maintenance expenses or consumable items, the obligations on the part of Textron Lycoming set forth above are your exclusive remedy and the exclusive liability of Textron Lycoming. This warranty allocates the risk of product failure between you and Textron Lycoming, as permitted by applicable law.

Textron Lycoming reserves the right to deny any warranty claim if it reasonably determines that the engine or part has been subject to accident or used, adjusted, altered, handled, maintained, or stored other than as directed in your operator's manual, or if non-genuine Textron Lycoming parts are installed in or on the engine and are determined to be a possible cause of the incident for which the warranty application is filed.

Textron Lycoming may change the construction of engines at any time without incurring any obligation to incorporate such alterations in engines or parts previously sold.

THIS LIMITED WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS, EXPRESS OR IMPLIED OR STATUTORY, WHETHER WRITTEN OR ORAL, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, AND ANY IMPLIED WARRANTY ARISING FROM ANY COURSE OF PERFORMANCE OR DEALING OR TRADE USAGE. THIS WARRANTY IS ALSO IN LIEU OF ANY OTHER OBLIGATION, LIABILITY, RIGHT, OR CLAIM, WHETHER IN CONTRACT OR IN TORT, INCLUDING ANY RIGHT IN
Specification and Description

“Exhibit A”

STRICT LIABILITY IN TORT OR ANY RIGHT ARISING FROM NEGLIGENCE ON THE PART OF TEXTRON LYCOMING, AND TEXTRON LYCOMING’S LIABILITY ON SUCH CLAIM SHALL IN NO CASE EXCEED THE PRICE ALLOCABLE TO THE ENGINE OR PART WHICH GIVES RISE TO THE CLAIM.

LIMITATION OF LIABILITY
IN NO EVENT, WHETHER AS A RESULT OF A BREACH OF WARRANTY, CONTRACT, OR ALLEGED NEGLIGENCE, SHALL TEXTRON LYCOMING BE LIABLE FOR SPECIAL OR CONSEQUENTIAL OR ANY OTHER DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS OR REVENUES, LOSS OF USE OF THE ENGINE, OR COST OF A REPLACEMENT.

No agreement varying this warranty or Textron Lycoming’s obligations under it will be binding upon Textron Lycoming unless in writing signed by a duly authorized representative of Textron Lycoming.

Effective 2000

McCauley Propeller Systems Standard Limited Warranty
McCauley Propeller Systems, a Division of Cessna Aircraft Company, Wichita, Kansas, U.S.A., expressly warrants new and remanufactured products produced and sold by McCauley to be free from defects in material and workmanship under normal use and service for a period of thirty-six (36) months after delivery to the original retail purchaser or until the expiration of the maximum hours of use or calendar limits for overhaul published by McCauley for the subject product, whichever occurs first.

McCauley’s obligation under this limited warranty is limited to repairing or replacing, at its sole option, any propeller, propeller parts, governor or governor parts determined by McCauley to have been defective and which are properly returned by the owner, with a written statement describing the alleged defect, to any McCauley Authorized Service Center authorized to service the individual McCauley product. The repair or replacement of defective parts will be made without charge to the owner for parts, or labor for removal and installation, except export/import duties, and/or sales or use taxes, if any which are solely the owner’s responsibility. McCauley will warrant a part replaced pursuant to this limited warranty under the same terms as the original part for the remainder of the applicable warranty period of the original part. This limited warranty is not intended to and does not cover the costs of normal maintenance of overhaul.

In addition, McCauley will repair or replace, at its option, any propeller, propeller parts, governor, or governor parts requiring replacement due to manufacturing defect if found at or before the first recommended overhaul interval as described in
Specification and Description
“Exhibit A”

McCauley published service information. This first overhaul coverage does not include labor, standard overhaul replacement parts, parts repairable via published service information (re-plating, painting, etc.), other costs associated with the propeller or governor overhaul, or export/import duties, and/or sales or use taxes, nor does it apply to defects found after McCauley published overhaul hour or calendar limits. The provisions of this limited warranty do not apply to: any McCauley parts which have been subject to misuse, negligence or accident or which have been repaired or altered in any way that, in the sole judgment of McCauley, adversely affects their performance, stability or reliability; to normal maintenance services (such as cleaning, mechanical adjustments and maintenance inspections); to the replacement of service items made in connection with normal maintenance; to normal deterioration of soft trim and appearance items (such as paint and rubber-like items) due to wear and exposure; to propellers, governors or parts found defective beyond the McCauley recommended overhaul period; or to parts which have been improperly installed by entities other than McCauley and/or McCauley Authorized Service Centers.

The McCauley limited warranty is void on any new or remanufactured product installed, without McCauley’s prior written approval, on a non-type certificated engine, or on any engine which has received an overhaul or modification which is not approved by the engine manufacturer and that results in a change to the vibratory environment of the engine such as, but not limited to, an alteration of horsepower, operating RPM, crankshaft damper configuration, compression ratio, magneto timing, camshaft design, or any other overhaul or modification not expressly approved by the original engine manufacturer. The McCauley limited warranty is also void on any McCauley product shipped new from the factory or distributor in dis-assembled state, then later re-assembled by an unauthorized party. Parties authorized to re-assemble factory-new product must have specific written permission from McCauley to do so, otherwise all McCauley warranty on the affected unit is void. No McCauley warranty coverage is offered for leakage on product assembled outside McCauley, regardless of the assembling party.

To the extent allowed by applicable law, THIS WARRANTY IS EXPRESSLY IN LIEU OF ANY OTHER WARRANTIES, EXPRESSED OR IMPLIED IN FACT OR BY LAW, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE REMEDIES OF REPAIR OR REPLACEMENT SET FORTH HEREIN ARE THE ONLY REMEDIES UNDER THIS LIMITED WARRANTY. McCAULEY DISCLAIMS ANY OBLIGATION OR LIABILITY, WHETHER IN CONTRACT OR IN TORT, INCLUDING LOSS OF USE OF THE PRODUCT WARRANTED, LOSS OF TIME, INCONVENIENCE, LOSS OF PROFITS, COMMERCIAL LOSS, OR ANY OTHER DIRECT, CONSEQUENTIAL, SPECIAL, OR INCIDENTAL DAMAGES. THIS WARRANTY IS IN LIEU OF ANY OBLIGATION OR LIABILITY ON THE PART OF McCAULEY TO ANYONE OF ANY NATURE WHATSOEVER BY REASON OF THE MANUFACTURE, SALE, LEASE, OR USE OF THE WARRANTED PRODUCTS AND McCAULEY NEITHER ASSUMES NOR AUTHORIZES ANYONE TO ASSUME FOR IT ANY OTHER OBLIGATION OR LIABILITY IN CONNECTION WITH SUCH WARRANTED PRODUCTS. THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS, 1980, AND ANY SUCCESSOR THERETO, IS EXPRESSLY EXCLUDED FROM THIS WARRANTY.

Issued 9/1/2003
Bendix/King Equipment Retail Warranty
Statement For Cessna Aircraft Company
Single Engine Program

A. General Aviation Avionics products manufactured by
Honeywell under the brand name Bendix/King (collectively
referred to herein as "Honeywell") are warranted against
defects in design, material, or workmanship caused by
Honeywell or its authorized agent(s) for the warranty period as
defined in Paragraph (B) of this statement, which occur under
normal and intended use and service, subject to all of the
qualifications and conditions hereinafter stated.

B. The warranty term for new product(s) installed on new
aircraft shall be twenty-four (24) months from delivery to the
original retail purchaser or first user. Cessna to provide
warranty start date information.

C. Any product Honeywell finds to be in violation of the warranty as set out in Paragraph
(A) hereof, at the option of Honeywell, shall be repaired,
replaced, or exchanged in accordance with the following
procedures:

1. Products shall be returned to any authorized Honeywell
Service Center or Honeywell Regional Product Support
Repair/Overhaul Facility, with transport charges prepaid.
2. After correction, the products shall be returned to the
purchaser with surface transportation charges prepaid.
3. The risk of loss or damage to all products in transit shall be
borne by the party initiating the transportation of such products
unless the purchaser makes a request for specific mode of
transportation. In such case, the risk of loss and the cost of
shipment shall be borne by the purchaser. All items repaired or
replaced hereunder shall be warranted for the unexpired portion
of the original warranty period.

D. This warranty specifically
excludes defects that Honeywell determines to be the result of
any or all of the following:
1. Abuse, accident, or misuse;
2. Contamination, negligence, tampering, or improper storage
or maintenance;
3. Repair or attempted repair by unauthorized persons or use
of non-Honeywell or unauthorized repair or replacement parts;
4. Products not installed by an authorized Honeywell
Installation Facility in accordance with the appropriate
installation manual.

E. The warranty as set out in Paragraph (A) is the only
warranty for Honeywell products and is in lieu of all other
warranties expressed or implied, including the implied
warranties of merchantability and fitness for a particular
purpose that are hereby expressly excluded and disclaimed.

F. The remedies as set out in Paragraph (C) hereof state the
entire liability of Honeywell and constitute the sole and
exclusive remedy of the purchaser. Honeywell shall not be
liable for any other claim, loss, or damage, including, but not
limited to, incidental, consequential, or other kinds of damages
whether based on contract, tort, negligence, or other theory of
product liability.

G. Honeywell reserves the right to make design changes,
additions to, and improvements in its products without the
obligation to install same in products previously manufactured.

THIS IS A LIMITED WARRANTY

Garmin Avionics Installed in Single Engine Aircraft

**Aircraft OEM-Installed Avionics 2-Year Limited Warranty Policy**

This GARMIN Product is warranted to be free from defects in materials or workmanship for two years from the date of warranty activation. Within this period, GARMIN International, Inc. will at its sole option, repair or replace any components which fail in normal use. Such repairs or replacement will be made at no charge to the customer for parts or labor, provided that the customer shall be responsible for any transportation cost. This warranty does not cover failures due to abuse, misuse, accident or unauthorized alteration or repairs.

**THE WARRANTIES AND REMEDIES CONTAINED HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES EXPRESS OR IMPLIED OR STATUTORY, INCLUDING ANY LIABILITY ARISING UNDER ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, STATUTORY OR OTHERWISE. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, WHICH MAY VARY FROM STATE TO STATE.**

IN NO EVENT SHALL GARMIN BE LIABLE FOR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, WHETHER RESULTING FROM THE USE, MISUSE OR INABILITY TO USE THIS PRODUCT OR FROM DEFECTS IN THE PRODUCT. Some states do not allow the exclusion of incidental or consequential damages, so the above limitations may not apply to you.

GARMIN retains the exclusive right to repair or replace the product or offer a full refund of the purchase price at its sole discretion. **SUCH REMEDY SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY FOR ANY BREACH OF WARRANTY.**

To obtain warranty service, contact your local GARMIN authorized Service Center. For assistance in locating a Service Center near you, call GARMIN Customer Service at one of the numbers shown below.
