TRAVEL IN SPACIOUS LUXURY AND REFINED COMFORT

The Bombardier Global Express XRS is the second iteration in the Bombardier Global Express series. This ultra-long-range aircraft was created to satisfy the needs of the world’s most discerning travelers with range capabilities that open more routes and possibilities. The Global Express XRS has a range of 6,170 nautical miles, which enables it to fly from Los Angeles to Tokyo or London non-stop.

The Global Express XRS offers extraordinary elegance and sophistication—perfect for business or leisure travel. Destinations are reached with speed and grace, while offering amenities for airborne comfort, productivity and safety. This particular Global Express XRS has been thoughtfully designed and built to the most exacting standards of craftsmanship.

Meticulously serviced and maintained, Avjet Global is pleased to offer this very special aircraft on behalf of its client.
