ABOUT FLORIDA JET SALES:

Florida Jet Sales, Inc. provides superior aviation services for domestic and international clients. We have been providing our clients with turnkey services for the sale and purchase of new and pre-owned aircraft since 1993. The founding principle of our business is to offer all our clients dedicated five-star customer service throughout the entire process of purchasing or selling an aircraft and beyond. For us, our relationship doesn't end with the sale - it is really just the beginning.

EXPERIENCE

For 25 years, Florida Jet Sales, Inc. has been providing aircraft brokerage, acquisition, sales, and leasing for our customers. As an inventorying dealer, we have the resources to purchase trade-in aircraft to help facilitate customer transactions.

We have owned, brokered, refurbished and sold hundreds of business jet aircraft. In the process, we have developed a reputation in the industry for delivering expert and honest advice and service. By offering complete turnkey service from the early concept stages of the purchase or sale through closing and beyond, we provide customers with exceptional value.

The founding principle of our business has remained that of developing long-term relationships with each of our customers and we work very hard to create and maintain a high level of confidence, trust, and integrity throughout that relationship.

For more information about our aviation services please contact us today at
